\$625,000

Fully renovated 4-bedroom, 3-bath Timber Ridge home with an exceptional floorplan and stunning ravine views! Custom designed by architect Ray Prell, this beautifully updated and meticulously maintained home offers comfortable living spaces, abundant storage, and a unique location where you'll never have a neighbor build behind you. The main level features 3 bedrooms, including a spacious primary suite, a welcoming living room with fieldstone fireplace, dining area, and a 16x10 screened porch elevated to capture incredible views of the peaceful ravine. The walk-out lower level provides additional living space with a 4th bedroom, family room, office, and spacious recreation room. Patio doors open to a ground-level patio, creating the perfect spot to relax or entertain. A generous amount of cabinetry, closets, and storage space throughout, plus a 2+ stall garage, provides room for everything. Whether you're looking for a full-time residence or Northwoods getaway, this move-in-ready home offers versatility, privacy, and comfort. Enjoy all the amenities Timber
